

POST SHOW REPORT

plast alger

printpack alger

10TH
EDITION

plast & printpack alger 2026 the most successful yet - Record growth in visitor numbers

With **8,170 trade visitors** representing all of Algeria's key industrial regions, the 10th edition of plast alger alongside the 11th edition of printpack alger 2026 has set a new benchmark in its impressive growth history.

The highly remarkable increase in trade visitor numbers amounted to **51%, rising from 5,403 in 2025 to 8,170 this year.**

This surge is clear evidence of the strong momentum and growing demand within the Algerian market for innovative solutions across the plastics, printing, packaging and recycling sectors.

AFTERMOVIE 2026
